

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION OF THE FAILURE OF CENTER)	ADMINISTRATIVE
RIDGE WATER DISTRICT NO. 2 TO FILE)	CASE NO. 2011-00337
REQUIRED REPORTS)	

ORDER

On October 11, 2011, the Commission ordered Center Ridge Water District No. 2 (“Center Ridge”) to show cause why it should not be penalized for failing to comply with KRS 278.230(3). The October 11, 2011 Order scheduled a formal hearing and also provided that Center Ridge could waive its right to a hearing if it filed its annual report and paid a \$250.00 penalty by October 20, 2011. Center Ridge neither filed its annual report nor paid the \$250.00 fine by October 20, 2012. A hearing in this matter was held on October 27, 2011. No representative appeared on behalf of Center Ridge.

On December 9, 2011, Center Ridge filed its 2010 annual report. The report was unaccompanied by any explanation why the annual report was filed late. There also was no explanation why Center Ridge failed to appear at the October 27, 2011 hearing or pay the \$250.00 fine by October 20, 2011.

On December 20, 2011, the Commission issued an Order in which it found that, even though Center Ridge had filed its 2010 annual report on December 9, 2011, it had willfully violated KRS 278.230 and 807 KAR 5:006, Section 3(1). The Commission assessed Center Ridge a fine of \$2,500.00 and ordered Center Ridge to pay the fine within fourteen days of the Order. Center Ridge neither sought reconsideration of the Order nor paid the assessed fine.

On May 23, 2012, the Commission received a letter¹ from William Duncan, Center Ridge's Operator. In the letter, Mr. Duncan asserts that the failure to timely file Center Ridge's 2010 annual report was merely an oversight on Center Ridge's part but provided no explanation why it did not pay this \$250.00 fine or appear at the October 27, 2011 hearing. Mr. Duncan also asserts that Center Ridge cannot afford to pay the \$2,500.00 fine.

The Commission takes seriously violations of its statutes and regulations and does not lightly grant pardon from the willful violations of these laws. Center Ridge, however, did finally file its 2010 report, albeit in an untimely manner, and has timely filed its 2011 annual report. Because Center Ridge did make its required filings, and because of Center Ridge's alleged inability to pay the \$2,500.00 fine, the Commission finds that the fine shall be suspended indefinitely contingent upon Center Ridge continuing to make timely filings of its annual reports in the future.

IT IS THEREFORE ORDERED that:

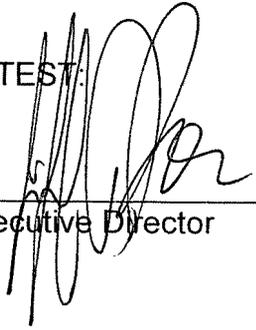

1. The \$2,500.00 fine imposed against Center Ridge on December 20, 2011 is hereby suspended.
2. If Center Ridge fails to timely file its 2012, 2013, 2014, 2015, or 2016 annual reports in the future, the suspended fine shall no longer be suspended and will become due and payable upon the day after the deadline for filing annual reports.
3. If Center Ridge timely files its 2012, 2013, 2014, 2015, and 2016 annual reports, the \$2,500.00 fine will be waived upon the timely filing of the 2016 annual report.

¹ Attached as the Appendix to this Order.

RE: case no. 2011-00337**

Dear Mr Jeb Pinney

After speaking to M. Shane Benson by phone I have learned That P.S.C found annual financial and statistical reports we had sent in some time back.

Although they were late it was just an over site by c.r.w.d. As soon as we found out we forgot to file them with p.s.c we sent them in right away. As far as the \$2,500. dollar fine I think that is very very excessive for first time offence. c.r.w.d does not have \$2,500. dollars to spare.it takes every penny coming in to operate c.r.w.d and that's not enough. c.r.w.d has not been able to pay William Duncan-operator for over a year and still owes B.D Trucking several thousands of dollars for last year and this year either for repairs. and Arlene Elmore which has been working in the office for 12 years has never been paid because c.r.w.d don't have the money to spare. If commission seeks to inforce please do so close to the area of c.r.w.d because division of water says I can not be no more than one hour driving time from c.r.w.d and I think it takes four hours to drive to Frankfort.
